GENERAL INFORMATION RUNNING EVENTS (Divisional Finals and Master's Meet)

The Division Preliminary Meets and Championship Meet are considered under National Federation Rules as **ONE** meet. Coaches are reminded of Rule 4-2-1 & 2 limiting participation for each athlete to four (4) events (including relays).

All competing athletes must wear a regulation uniform as specified in National Federation rules 4-3. All athletes competing must wear their school uniform at all times. No other non-school uniforms or clothing may be worn during warm up, competition, or in the awards area. **While in the area of competition the athlete must keep their uniform on. Area of competition includes the track and adjacent grass areas.** Jerseys will be required to be tucked into the shorts during competition. (Note: National Federation Rules: Rule 4-3-1 page 23 and Rule 3-2-4 (j) page 13)

All warm ups for running events will take place on the grass field located near the stadium track. Access to this area will be limited to athletes and coaches wearing identifying credentials. Members of the press with credentials may also be in this area for interview purposes. These interviews should in no way conflict with an athlete preparing for a later event. No member(s) of the general public will be allowed to enter the warmup field.

The **Clerk of Course** will be located at the West Tent. **Runners must report to the Clerk of Course prior to their race** or they will not be allowed to participate. Alternates should also report to the Clerks area in case of a scratch in that race. A loudspeaker system will keep all athletes informed of when they are to report. Hip numbers that are issued in the clerks' area are to be worn on the side seam of the competitors shorts. All athletes reporting to the Clerk should be in uniform, ready to compete on the track. Coaches, media, parents **ARE NOT PERMITTED IN THE CLERKS AREA.**

Starting blocks will be provided by meet management in all meets with the exception of the Moyer block.

In case of a tie in a running event, the run-off to break the tie will occur thirty (30) minutes after the last running event. Coaches are advised not to leave until **OFFICIAL** results have been posted.

The maximum length of spikes at all sites is 3/16 inch. All other spikes are strictly prohibited. All shoes will be checked at the athlete's entrance gate, the Clerk of Course, and by individual event officials. Suitable spikes will be available for purchase.

FinishLynx timing systems will be used with Hy-Tek results. All official results will be available on Finished Results App and website site (www.finishresults.com) at the conclusion each event. In the Prelims, questions regarding the official results should be directed to the Meet Manager. In all other meets, the Coaches Corner will handle all questions regarding event results. Automatic timing in 1000's of a second will be used to break ties for advancement purposes only.

Coaches are reminded that if an athlete must use an inhaler (atomizer) it will **NOT** be considered an illegal aid as long as a physician's statement documenting the need of the athlete to use a prescription during competition is presented to the Clerk of Course prior to the beginning of the meet.

The Referee and a Jury of Appeals will be available to rule on all non-judgement appeals submitted by the head coach of the concerned team. Appeals are to be submitted in writing to the Coaches Corner for Division Finals and Master Meets. Forms for appeals will be available from the Coaches Corner. The appeal **MUST** be lodged no later than thirty (30) minutes after the results have been made available through Finished Results (www.finishresults.com). The Jury of Appeals (if appointed) will make the final decision regarding any appeal.

Awards will be given in each event in the Championship Meet and Master's Meet. In the **Championship Meet** there will be medals for the first six place finishers in each of the four divisions and there will be team plaques for the winner and runner-up in each Division. At the Championship meet, the medals will be awarded in the field events at the conclusion of the event; and the medals will be awarded on the field for running events as soon as official results have been determined. Team plaques will be awarded within fifteen (15) minutes of the conclusion of the Championship Meet. At the **Masters Meet** there will be medals for first three place finishers at the conclusion of their event. Team scoring in **all** events for the Championship Meet will be:

Once an athlete has reported to a field event venue and checked in with event officials, he/she may only leave that venue to compete in another event or to use the restroom. During that excused time, viewing electronic images or video of current competition is not allowed.

The only exception would be where the field event venue/competition is in an unrestricted location. That would include a "coaching box, or off-field mixed area where athletes, coaches and spectators are allowed. Use of cell phones, pagers or other electronic communication devices is also prohibited and will result in immediate disqualification from the meet.

Field event athletes who are also in running events, need to advise the Field Event Judge of the running event and secure a release from the official. The athlete **MUST** report to the Clerk of Course when their event is called **AFTER** securing a release from the Field Event Judge. Competitors will be excused for a maximum of thirty (30) minutes to compete in the running event and return to the field event. If the bar is raised in the High Jump or Pole Vault the athlete must jump at the new height. **The bar will not be lowered.**

The **Coaches Corner** will be located on the East side of the press box. Results will be posted near the coaches corner location. Coaches should take any concerns to the Coaches Corner and express them in writing.

Team plaques will be awarded at the conclusion of the Championship Meet. At the **Masters Meet** there will be medals for the first three place finishers at the conclusion of their event.

Team scoring in **all** events for the Division Championship Meet will be:

1st = 10 points
2nd = 8 points
3rd = 6 points
4th = 5 points

5th = 4 points
6th = 3 points
7th = 2 points
8th = 1 point

If an athlete must use an inhaler (atomizer) in a field event it will NOT be considered an illegal aid as long as a physician's statement documenting the need of the athlete to use a prescription during competition is presented to the Clerk of Course prior to the beginning of the meet.

The Referee and Jury of Appeals will be available to rule on all non-judgment appeals submitted by the head coach of the concerned team. Appeals are to be submitted in writing to the Coaches Corner for all meets. Forms will be available for appeals. The appeal MUST be lodged no later than thirty (30) minutes after the results of that event have been posted on the results board. The Jury of Appeals (if appointed) will make the final decision regarding any appeal.

There are no dressing room facilities at the Prelim Meet sites or Moorpark High School.

In the Championship Finals, the top six (6) in each division will win medals and the top twelve (12) overall and ties will advance to the Masters Meet. The top six (6) finishers along with those competitors who meet the at-large State standards at the Masters Meet will advance to the State Meet. Permission to leave must be granted by the Head Pole Vault/High Jump Official and the time the athlete left the event is to be noted on the Official Event Sheet.

An athlete may request the Head Event Official to compete his/her trials at the current height out of order or opt to return to the event with the number of trials remaining that he/she was excused with.

In both above cases, the competition will continue and he/she will re-enter at wherever the crossbar has been raised during said excused absence

Marks made in the division preliminaries do not carry over to the division Championship Finals. Records set in the division Prelims will count. PLAYOFF FACILITY INFORMATION

FACILITY CLOSURES: As of May 4, 2025 no one will be permitted access to the track and field facilities at any of the sites until the last competition has been held at that site.

INCLEMENT WEATHER - The decision to re-schedule or postpone the scheduled meets will be up to the Games Committee (Meet Managers and CIF-SS Administrators). Information regarding the meet will be distributed as early as possible to avoid conflicts with transportation and athlete preparations.

USE OF DRONES/DRONE VIDEOGRAPHY IS NOT PERMITTED. Drones are not allowed during contests at any level. Although there is not an actual State CIF rule against the use of drones, the FAA (Federal Aviation Administration) in its June 21, 2016, Summary of Small Unmanned Aircraft Rule states *"Small unmanned aircraft may not operate over any persons not directly participating in the operation."* Based upon this federal ruling the CIF State Office has instructed our section to deem it a safety hazard and to not allow the use of drones.

NO DOGS/PETS ALLOWED INSIDE FACILITIES! Please ask all parents and fans to leave all pets at home.

SPECIAL NOTICE

SUPERVISION OF ATHLETES

The Southern Section Office has experienced a problem which has perpetuated itself over the past few years as it pertains to proper supervision and entry of student-athletes in the post-season playoffs.

The situation relates only to individual sports, i.e. CROSS COUNTRY, INDIVIDUAL TENNIS, TRACK, SWIMMING, etc. and the official recognition and registration of entrants at the respective playoff sites.

State and Southern Section Rule 503 states:

No CIF team (i.e., individual) shall participate in inter-scholastic or approved competition with any other team unless the CIF team is under supervision as required by the California Administrative Code 49032 and CIF By-Law #503 (F). (Additionally, refer to Rule 123.) The supervisor must remain in attendance at all times.

Those persons APPROVED FOR SUPERVISION PURPOSES are limited to:

- A. Certificated personnel**
- B. Certified Coaches (certified credentialed coaches)**
- C. Non-certificated temporary coaches (certified walk-on coaches.)**

(It should be noted that schools representing the same DISTRICT may send one credentialed or certified supervisor for three or four athletes. These individuals have been recognized and are to continue to be recognized for registration and participation purposes in that the district has assigned the supervisory role for all students from its' member schools to this one individual.)

However, the concern is for those students who ARE NOT accompanied by a faculty representative and report to the playoff site by themselves or with a parent. ***GIVING PARENTS THE SUPERVISION AUTHORITY, WHETHER IN WRITING OR NOT, DOES NOT MEET THE STANDARDS SET FORTH IN THE ABOVE REGULATIONS. This also applies to parents who are the student=s private coach but are not under contract to the member school.***

PLEASE NOTE, THIS RULE WAS REVIEWED BY BOTH THE STATE CIF OFFICE, ITS GENERAL COUNSEL AND THE SOUTHERN SECTION EXECUTIVE COMMITTEE. IT HAS BEEN REAFFIRMED THAT THE INTERPRETATION STAND AS ABOVE AND THAT ANY STUDENT REPORTING FOR COMPETITION WHO IS NOT UNDER DIRECT SUPERVISION IN ACCORDANCE WITH STATE AND SOUTHERN SECTION RULE 503, IS TO BE DENIED ENTRY FOR PARTICIPATION IN THE COMPETITION.

As pointed out by the Southern Section and State CIF attorney, there are inherent liability problems when an individual competes in violation of said rule. Please review this rule with your staff in that it will be strictly enforced as per the above application.
